

FROM BASIC TO BRILLIANT: ADVANCED AI PROMPTING

THE FOUNDATION: THE CRISP E FRAMEWORK

A professional structure for Any Prompt. Turn any basic request into an expert-level command by including these six elements.

3 PRO-LEVEL PROMPTING TECHNIQUES

EXAMPLE
Give me three terrible email subject lines and explain the marketing psychology behind their failure.

EXAMPLE
Analyze my strategy from the perspective of a CFO, a growth hacker, and a customer success manager.

EXAMPLE
Follow up a first draft with: "Now make this 16x more specific to my target audience."
